ACEC/MS President's Update: Randy Ahlrich

As we all know, the last 18 months of the Covid-19 pandemic have required “a new normal” to say the least. But thanks to many, especially our Past President, Kyle Wallace of Shows, Dearman & Waits, our ACEC/MS Executive Committee stayed on course and was able to lead our ACEC/MS organization through uncharted waters. Also, great leadership, wisdom and support were provided by our Executive Director, Craig Carter and Office Manager, Jessica Gosa. Thanks a bunch Craig and Jessica for a job well done.

As we start the 2021-2022 ACEC/MS year, we look forward to returning to some of the “old ways”, in person events and activities. The Deep South Convention was held in Sandestin during July and Roosevelt Day was held in Jackson at the Mississippi Ag Museum in September. Right around the corner, ACEC/MS will hold its Fall Meeting in November.

ACEC/MS would also like to congratulate Wayne Black of Garver as our new Executive Committee Board Member and Jeff Dungan of Dungan Engineering as our new National Director.

One recent change in ACEC/MS's PAC focus was to increase our efforts statewide. Going forward our PAC focus will be led by team leaders from different areas within our state: North – Cary Hardin, Central – Hunter Arnold and South – Kyle Wallace.

As we move toward the end of 2021 and the beginning of 2022, ACEC/MS has much to be thankful for: many blessings, abundant opportunities to serve others and hope for a better tomorrow. Engineering! What a great occupation: solving problems, helping others, making society better and getting paid to do it!

AMERICA'S ROADWAY RESOURCE *is* IN YOUR BACKYARD

Ergon Asphalt & Emulsions is proud to be your go-to roadway resource. Let one of our specialized team members assist you on your next project, and find the answers you're looking for today.
